

M:2:I Individual Task Report

Weekly individual task reports are due no later than 12:00 p.m.

Project Information		
Project Name	MAVRIC	
Team name	Electrical Team	
Your Name	Jensen Mayes	
Week Number	9	
Individual Status Report		
My tasks are currently:		On Track

Please put any comments below on your status with your tasks.

This week we were able to continue finishing up the wiring. On Saturday I tapped the bus bars and mounted them to the E-Box as well as cutting and connecting the power wires to it. I also worked on a rotating power connector for the science team and we are making good progress on getting the rotating servo on the drill connected to power permanently.
